Interpersonal Skills – Problem Solving | Leadership Role | Work Ethic | Critical Thinking | Adaptability

Work Experience

Techmind Softwares – Frontend Developer Intern

Chandigarh, Mar'24 – Jul'24

Heirloom Honey Co. Website | [Web](#) | ReactJs, Javascript, BootStrap

- Developed reusable React components, reducing development time by 30% and streamlining feature deployment, enhancing scalability and maintainability.
- Optimized responsive design and page load times, boosting mobile engagement by 20% and improving the overall customer experience across devices.

Just Co. Global | [Web](#) | ReactJs, Javascript, Redux

- Built a responsive website for Just Co. Global, leveraging React components to reduce code redundancy by 40% and ensuring seamless functionality across devices.
- Used Redux for managing global state, enabling efficient data synchronization while improving navigation flow and reducing bounce rates by 20% through targeted UI and UX optimizations based on user feedback.

Freelance Projects

INBESTA | [GitHub](#) | ReactJS, MongoDB, Material UI

Delhi, Aug'24 – Present

In the \$2.5 trillion fashion market, where 93% of shoppers rely on reviews, **Inbesta** helps consumers confidently explore new and trustworthy brands.

- Developing Inbesta, a global web platform enabling users to discover independent clothing brands, share reviews, and engage in discussion forums to connect with like-minded individuals.
- Implemented a scalable backend (Node.js, MongoDB) to support features like user-generated blogs, discussion threads, and direct brand-audience interactions, fostering a thriving community of fashion enthusiasts.

Positions of Responsibility

GENERAL SECRETARY | SPICMACAY TIET

May'22 – Jul'23

- Led SPICMACAY, promoting Indian classical music and culture to youth worldwide.
- Headed **100+ member team** organizing 12 events, fostering appreciation for Indian values.
- Orchestrated “**Aakriti**” event, drawing 1000+ attendees, showcasing strategic planning, continuous assessment and community impact.

Extra-Curricular Activities & Achievements

- Secured 1st place among 70+ teams at OctaHacks 4.0, demonstrating strong technical and collaborative abilities.
- First Runners-Up at NIT Jalandhar's Capture The Flag event, a competitive cybersecurity challenge featuring over 50 participating team from renowned universities.
- Collaborated with friends, doctors and various hospitals to create an online portal during COVID-19, sharing real-time leads on oxygen cylinders and hospital beds, connecting patients with essential resources.
